Your insurance is provided by: Newline Insurance Company Limited

Policy wording: PolicyBee Combined Medical Malpractice Public and Products Liability Insurance (11_21) v1.1

Medical malpractice cover

Medical malpractice insurance covers you for compensation you have to pay to your patients for bodily or mental injury or death as a result of a negligent act, error or omission by you.

Medical malpractice is a 'claims made' cover. This means cover must be in place when a claim is notified. You cannot make a claim if the policy has lapsed or been cancelled - even if the incident that gives rise to the claim occurred whilst the policy was in force.

What are you covered for?

- bodily or mental injury or death as a result of a negligent act, error or omission by you
- unintentional libel or slander
- accidental breach of professional confidentiality (up to £100,000)
- destruction, damage, loss or theft of documents belonging to you, or in your custody (up to £100,000)
- legal costs for disciplinary proceedings brought by your professional body (up to £50,000)
- loss of reputation arising directly from a claim (up to £25,000)
- financial loss arising from a negligent act, error or omission (up to £150,00)

What's not covered?

- bodily or mental injury or death which is **not** as a result of a negligent act, error or omission by you
- property damage
- any retail sale or supply of any goods or products
- any libel or slander committed against professional adversaries or business competitors
- any journal, publication, communication or contribution to the press or media
- destruction, damage, loss or theft of documents due to wear & tear, vermin, mould, mildew or any other gradual operating cause
- work outside of the United Kingdom & claims made against you that aren't under the laws of the United Kingdom
- genital work (unless declared and listed in the schedule)
- treatments on minors (unless declared and listed in the schedule)

Important conditions

- anyone performing any kind of treatment must have completed a certified training qualification in that treatment
- you must ensure that you maintain CQC registration where this is required to perform a particular treatment
- you must take all reasonable steps to ensure that photographs of patients are taken both before and after treatments
- all products and devices used must comply with the relevant health, safety and environmental protection legislation
- you must at all times maintain accurate and descriptive records of your treatments

Public liability cover

Public liability insurance covers you when you have to pay compensation to any third-party for accidental injury to them or damage to their property as a result of your business activities.

Public liability is a 'claims occurring' cover. This means the policy will only respond to claims arising from incidents and accidents that occur within the policy period.

What are you covered for?

- compensation to any third-party for accidental injury to them or damage to their property as a result of your business activities

What's not covered?

- any malpractice
- any libel, slander or defamation, breach of confidentiality or loss of reputation
- any property damage to property owned by you, leased or rented by you, or in your care, custody or control (other than property of any employees and/or visitors)
- any goods or products (other than food or drink for consumption on the Insured's premises).
- Claims arising from or in connection with COVID-19 or SARS-CoV-2
- work outside of the United Kingdom and claims made against you that aren't under the laws of the United Kingdom

Products liability cover

Products liability insurance covers you when you have to pay compensation to any third-party for accidental injury to them or damage to their property as a result of a product your business has sold or supplied.

Products liability is a 'claims occurring' cover. This means the policy will only respond to claims arising from incidents and accidents that occur within the policy period.

What are you covered for?

- compensation to any third-party for accidental injury to them or damage to their property as a result of a product your business has sold or supplied, provided that:
 - the products are made entirely in, or sourced from a supplier based in, the European Union
 - you've taken all reasonable steps to ensure the products comply with European Union health & safety standards
 - you've kept a copy of the contract or proof of sale

What's not covered?

- any malpractice
- any libel, slander or defamation, breach of confidentiality or loss of reputation
- any property damage to property owned by you, leased or rented by you, or in your care, custody or control
- any property damage to goods or products or contract work
- work outside of the United Kingdom & claims made against you that aren't under the laws of the United Kingdom

- (b) if the employee or past employee of the **Insured** is entitled to indemnity under any other valid insurance, including any self insurance plan which would be applicable to the loss.

If any claim under this **Policy** is in any respect fraudulent, the **Insurer** shall be entitled to:

- 6.12.1. refuse to pay the claim;
- 6.12.2. recover any sums paid by the **Insurer** to the **Insured** in respect of the claim from the **Insured**; and

6.13. Data Protection Legislation

Any information provided to the **Insurer** regarding the **Insured** will be processed in compliance with the provisions of the relevant data protection legislation for the purpose of providing insurance and handling claims, if any, which may necessitate providing such information to third parties.

6.14.1. No provision of this **Policy** may be waived or varied, save by an endorsement issued and signed by the **Insurer**. Notice given to any agent of the **Insured** or of the **Insurer** or knowledge possessed by any such agent or any other person shall not be held to effect a waiver or change in any part of this **Policy**.

In the event of any acts, errors, omissions, circumstances, occurrences, events or **Claims** in respect of which the **Insured** is entitled to indemnity under more than one section or extension of this **Policy**, the total amount of the **Insurer's** liability shall not exceed the greatest **Limit of Liability** available under one of the sections or extensions providing indemnity.

6.17. Contracts (Rights of Third Parties) Act 1999

Any person who is not a party to this **Policy** has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this **Policy**. This condition does not affect any right or remedy which exists or would be available but for the operation of that Act.

6.18. Sanctions

Whenever the cover provided by this **Policy** would be in violation of any US, EU or UK economic or trade sanctions, such cover shall be null and void.

6.19. Governing Law and Jurisdiction

Unless otherwise stated on the Schedule, this **Policy** shall be governed by and construed in accordance with English law and any disputes arising out of or concerning this **Policy** shall be subject to the exclusive jurisdiction of the courts of England and Wales.

6.20. Premium Payment

6.20.1. In the event that the **Insured** agrees to pay the premium in full, the **Insured** undertakes that the premium due under this **Policy** shall be paid to the **Insurer** in full within sixty (60) days of the commencement of the **Period of Insurance**. If the premium has not been paid to the **Insurer** in full within sixty (60) days of the commencement of the **Period of Insurance**, the **Insurer** shall have the right to cancel this **Policy** by giving fifteen (15) days written notice to the **Insured**. If the premium is paid to the **Insurer** in full before the expiration of the fifteen (15) day notice period, the notice of cancellation shall be automatically withdrawn. If not, this **Policy** shall automatically terminate at the end of the notice period.

6.20.2. If it has been formally agreed for the **Insured** to pay on an instalment plan, the **Insured** undertakes that the premium due under this **Policy** shall be paid to the **Insurer** on the agreed dates. If the agreed premium has not been paid to the **Insurer** by the prescribed dates, the **Insurer** shall have the right to cancel this **Policy** by giving fifteen (15) days written notice to the **Insured**. If the premium is paid to the **Insurer** in full before the expiration of the fifteen (15) day notice period, the notice of cancellation shall be automatically withdrawn. If the due premium remains unpaid after the 15 days' notice, this **Policy** shall automatically terminate on the termination date detailed within the notice.

If, prior to or at the same time as any such cancellation, the **Insured** shall have notified the **Insurer** of a **Claim** or of any circumstances which may give rise to a **Claim**, no premium refund shall be payable to the **Insured**. If no **Claim** or circumstances have been notified, the premium shall be adjusted on the basis detailed in Clause 6.1.

6.21. Duty of Candour

Notwithstanding any other term or condition of this **Policy**, the cover provided by this **Policy** will not be prejudiced by any acts to the extent they are necessary to discharge the **Insured's Duty of Candour**. Financial Services Compensation Scheme (FSCS)

Our services

These include: assessing your needs and making a personal recommendation about your insurance, arranging your cover and helping you with any policy changes you, we or the insurer make. As part of our service, we'll also help you with any claim.

We conduct a fair and personal analysis of the market to meet your demands and needs. Sometimes, this means we'll only offer products from a single insurer but we'll let you know who this is.

We act as your agent when finding your insurance and putting it in place, and when you make a claim. We act as the insurer's agent when we collect your premium and we'll let you know if there are other situations where we are acting on behalf of the insurer.

Our remuneration

This is commission, which is a percentage of the premium paid by you; commission may well include a profit share arrangement that your policy may contribute towards. If any fee is due, we'll agree this with you before you purchase the policy.

We are committed to ensuring complete transparency of our remuneration and we will, at your request fully disclose our remuneration.

Fair presentation of risk

Before entering into a contract of insurance, prior to a midterm alteration and ahead of your policy renewal, it is your statutory duty to make a fair presentation of your risk. This information must be provided in a clear and accessible format. You must disclose, where practical, all material circumstances about your risk, this being information that might affect the judgement of a prudent insurer in deciding whether to accept your risk or not - should you require additional explanation of what constitutes a material circumstance, please contact us immediately.

You must make reasonable enquiries before presenting your risk and ensure that all individuals holding knowledge about the risk have been approached in the compilation of this information.

If you feel you have not been able to do so, please advise us, so we can allow underwriters to make further enquiries if they wish to do so.

You must complete any proposal forms or fact finds provided to you, honestly, accurately and in good faith.

Any deliberate or reckless misrepresentation may involve part, or your entire claim being declined and in some circumstances; the Insurer may be entitled to retain your premium whilst avoiding the policy or apply additional terms to your policy.

Security

We do not guarantee the solvency of any insurer we place business with. A liability for the premium, whether in full or pro rata, may arise under policies where a participating insurer becomes insolvent.

GDPR/Data Protection - how we use your data

We treat your personal information as private and confidential, and we're registered with the ICO as a Data Controller. We comply with the General Data Protection Regulation (GDPR) in all our dealings with your personal data. If you'd like specific information on how we use your personal data, and other rights you have under GDPR such as 'Right of Access', please contact us. You can review our privacy notice at: <https://www.policybee.co.uk/privacy-notice>.

Information which you provide to us will not be used or disclosed by us to other parties, except in the normal course of handling a contract of insurance or a claim on your behalf and any related activities, unless we have obtained the necessary consent from you or where we are required to by law or a regulatory body that has authority over us. We will take appropriate steps to maintain the security of your confidential documents and information which are in our possession.

Credit Checks

To make sure you get the best offer from Insurers or Third Parties involved in your insurance, i.e. finance providers, now or at any renewal or at any time and to protect their customers from fraud and to verify your identity, they may use publicly available data which they obtain from a variety of sources, including a credit reference agency and other external organizations. Their search will appear on your credit report whether your applications proceed.

Unless you contact us to confirm you do not want these searches to be carried out we will assume your consent has been given and proceed as above.

Claims

You must notify us as soon as possible of a claim and circumstances which may give rise to a claim. In the event of a claim you should contact us and we will promptly advise you and pass all details to your Insurer. You should not admit liability or agree to any course of action, other than emergency measures carried out to minimise the loss, until you have an agreement from your Insurer. We will remit claims payments to you as soon as possible after they have been received on your behalf. If an insurer becomes insolvent or delays making settlement we do not accept liability for any unpaid amounts.

Handling your money

Our financial arrangements with most insurance companies are on a 'risk transfer' basis. This means we act as agents of the insurer in collecting premiums and handling refunds. In these circumstances, money is deemed to be held by the insurer(s) arranging your policy. However, if risk transfer does not apply, we'll hold that money in a statutory trust account set up in accordance with the FCA Client Assets Sourcebook (CASS) and with our nominated bank. Holding money in line with CASS ensures your money is protected and used only for the settlement of Insurer accounts. We'll retain interest earned on money in a statutory trust account.

Cancellation Clause

Your insurance may include a cancellation clause. Full cancellation details will be explained to you during the negotiation process. If you fail to pay your premium by the due date the insurance may be cancelled forthwith or by the insurers, giving notice of the cancellation. In the event of cancellation, insurers may return the pro rata premium to us, but you are advised to check your insurance policy for full details of your insurers' cancellation clause. Once our remuneration has been earned if the insurance is cancelled after inception, our commission will not usually be returnable.

Financial Crime

The National Crime Agency (NCA) requires us to report any suspicious transactions to them. In these circumstances, we might ask for evidence of your identity. This could mean we ask to see your passport, a utility bill or a bank statement. For companies, we might want to see your Certificate of Incorporation or we may check the Companies House register.

Health & Safety

We cannot be held responsible for any client who fails to comply with current Health & Safety (or other relevant) legislation.

Termination

Our services may be terminated without cause or penalty by giving one month's notice in writing. If our services are terminated by you other than at the expiry of the policy, we will be entitled to retain the commission payable. The responsibility for handling claims reported after the date of termination shall, in the absence of an express agreement, be the responsibility of the party taking over the role.

Law and Jurisdiction

These terms of business are written according to English law. Any legal action or proceedings arising out of or in connection with these terms of business fall under the jurisdiction of English courts.
