In these circumstances, the Underwriters shall be entitled to set off any sum held by them in the discharge of any of the **Insured's** obligations to the Underwriters.
- D. If this **Policy** is cancelled the Expiry Date of this **Policy** shall be amended to be the effective date of such cancellation.

The seat of the arbitration shall be in London, and the arbitration tribunal shall apply the laws of England and Wales as the proper law of this **Insurance** and the procedural and supervisory law of the arbitration.

XIX. MATERIAL ALTERATIONS

The **Named Insured** must tell the Underwriters as soon as reasonably possible of any material change or changes in circumstances during the **Policy Period** that increases the risk covered and/or any material change in the matters declared to the Underwriters. The Underwriters will not provide any indemnity in respect of liability arising from such material change in the matters declared to the Underwriters unless the Underwriters have agreed in writing to accept the altered risk.

XX. INNOCENT INSURED

Whenever coverage under this **Insurance** would be excluded, suspended or lost owing to:

- A. the application of V., Exclusion L., relating to intentional, criminal, dishonest, fraudulent or malicious acts, errors or omissions by any **Insured**; or
- B. non-compliance with any condition relating to the giving of notice to the Underwriters where an **Insured** is in default solely as a result of the failure of another **Insured** so to comply;

such insurance coverage as would otherwise be afforded under this **Policy** shall remain in effect with respect to those **Insureds** who did not personally participate in, or acquiesce in or remain passive after having personal knowledge of, (a) one or more of the acts, errors or omissions described in any such exclusion, or (b) such failure to give notice;

provided that after becoming aware of such act, error or omission or any failure to give notice, any such **Insured** shall inform the Underwriters immediately in writing of such event, and shall not be entitled to the benefit of this clause if it fails to do so.

XXI. EXTENDED REPORTING PERIOD

- A. If either party cancels or this **Insurance** is not renewed:
1. notwithstanding the requirement in Clause XII. A to notify the Underwriters as soon as reasonably practicable, the **Insured** shall have fourteen (14) days from the Expiry Date of the **Policy Period** to notify the Underwriters of **Claims** made against the **Insured** during the **Policy Period**. Any such **Claim** not so notified will not be payable by the Underwriters under this **Policy**.

Such additional Premium must be received by the Underwriters within thirty (30) days of such cancellation or expiry and if not so received the **Named Insured** shall not have any right to any **Extended Reporting Period**, and if exercised the **Extended Reporting Period** will replace the grace period provided above to the **Insured** to notify **Claims**.
- B. The Limit of Liability for the **Extended Reporting Period** shall be part of, and not in addition to, the Underwriters' Limit of Liability for the **Policy Period**.
- C. The quotation by the Underwriters of a different premium or Deductible or Limit of Liability or changes in the **Policy** language for the purpose of renewal shall not constitute a refusal to renew by the Underwriters.
- D. The right to the **Extended Reporting Period** shall not be available to the **Named Insured** where cancellation or non-renewal by the Underwriters is due to non-payment of Premium or failure of an **Insured** to pay such amounts in excess of the applicable Limit of Liability or within the applicable Deductible or other material breach of this **Policy**.
- E. All notices and Premium payments with respect to the **Extended Reporting Period** shall be directed to the Underwriters through the entity named in Item 9. of the Schedule.

At the commencement of the **Extended Reporting Period**, the entire Premium shall be deemed earned, and in the event the **Named Insured** terminates the **Extended Reporting Period** prior to its natural expiry, the Underwriters will not be liable to return any Premium paid for the **Extended Reporting Period**.

XXII. OTHER INSURANCE

This **Insurance** shall apply in excess of any other valid and collectible insurance or self-insurance, or of any kind of indemnity including one provided by any medical defence organisation or any similar scheme and available to any **Insured**, unless such other insurance is written only and identified as specific excess insurance over the Limit of Liability of this **Policy**.

If there is any other such insurance at the time of any event giving rise to a **Claim** under this **Policy** the **Insured** shall promptly provide the Underwriters in writing with full details of such other insurance, including the identity of the insurer and the policy number, and such further information as the Underwriters may reasonably require.

XXIII. SUBROGATION

The Underwriters shall be subrogated to the extent of their liability under this **Insurance** to all the **Insured's** rights of recovery against any person or organisation, and the **Insured** shall execute and deliver instruments and papers and do whatever is necessary to secure such rights. The **Insured** shall do nothing before or after the payment of **Damages** or **Claims Expenses** by the Underwriters to prejudice such rights and shall take all reasonable steps to maintain them including positive action where necessary. The obligations of the **Insured** under this Clause XXIII. shall survive this **Policy**.

Any subrogated recovery shall first be paid to the Underwriters to the extent of any **Claims Expenses** paid by them, with the balance then being paid to the **Insured** for any uninsured loss in excess of the Limit of Liability, then to the Underwriters to the extent they have paid **Damages** in excess of the Deductible, and then to the **Insured** in respect of the Deductible.

Notwithstanding the above the Underwriters may at any time request an assignment from the **Insured** of any cause of action that the **Insured** may have against any third party in respect of which it has been, or appears likely to be, indemnified by the Underwriters, which the **Insured** shall promptly effect.

XXIV. MERGERS AND ACQUISITIONS

2. the business operations of the acquired entity are of a similar nature to those of the **Named Insured** as specified in such recent application;
3. the total number of **Medical Practitioners** employed by the **Named Insured** does not increase by more than 20% or 15 (whichever is less); and
4. the operations of the acquiring or acquired entity are primarily located in the same country as the **Named Insured**;

then this **Policy** will automatically cover the acquired entity from the date of completion of such acquisition but only for **Malpractice Incidents, Accidents**, negligent acts, errors or omissions, libel, slander, loss of **Documents** or breach of professional confidentiality that take place subsequent to completion of such acquisition. In the event that immediately prior to the date of completion of any such acquisition the total amount of revenues or assets of all acquiring and acquired entities during the **Policy Period** would exceed 25% of the **Named Insured's** annual revenues or assets respectively as specified in such application, Paragraph A above shall no longer apply and any further acquisitions will be subject to Paragraph B below.

B. If during the **Policy Period** the **Named Insured** acquires an entity that does not fall within the criteria detailed in Paragraph A above, or where Paragraph A above no longer applies by virtue of the provision contained in its last sentence, this **Policy** shall not apply after the date of completion of such acquisition and the **Named Insured** shall be required to give written notice to the Underwriters prior to the completion of such acquisition by or of the **Named Insured**, and to negotiate with the Underwriters in respect of the additional premium payable and the imposition of any amended terms and conditions in respect of any insurance similar to that provided hereunder that it may require.

XXV. ASSIGNMENT

The interest hereunder of any **Insured** is not assignable except as requested by the Underwriters, who may at any time request an assignment from the **Insured** of any cause of action that the **Insured** may have against any third party in respect of which it has been or appears likely to be indemnified by the Underwriters.

FURTHER INFORMATION

What is a Claims Made cover and a Retroactive Date?

The Beazley Medical Malpractice Insurance is a claims made and reported policy. This means that the Policy only provides the Insured coverage for claims made against the Insured and reported to the Underwriters in writing during the policy period and only for any malpractice incident, accident, negligent acts, errors or omissions, loss or breaches which occurred on or after the retroactive date and before the end of the policy period.

Policy Period is the period of insurance shown in the Schedule and usually runs for 12 months unless stated otherwise.

Please check the Schedule to confirm the exact duration of the Policy and the Retroactive Date

Insurance Act 2015 – Duty of fair presentation

1. Before this insurance contract is entered into, the Insured must make a fair presentation of the risk to the Insurer, in accordance with Section 3 of the Insurance Act 2015. In summary, the Insured must:
 - a) Disclose to the Insurer every material circumstance which the Insured knows or ought to know. Failing that, the Insured must give the Insurer sufficient information to put a prudent insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a prudent insurer as to whether to accept the risk, or the terms of the insurance (including premium);
 - b) Make the disclosure in clause (1)(a) above in a reasonably clear and accessible way; and
 - c) Ensure that every material representation of fact is substantially correct, and that every material representation of expectation or belief is made in good faith.
2. For the purposes of clause (1)(a) above, the Insured is expected to know the following:
 - a) If the Insured is an individual, what is known to the individual and anybody who is responsible for arranging his or her insurance.
 - b) If the Insured is not an individual, what is known to anybody who is part of the Insured's senior management; or anybody who is responsible for arranging the Insured's insurance.
 - c) Whether the Insured is an individual or not, what should reasonably have been revealed by a reasonable search of information available to the Insured. The information may be held within the Insured's organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the insurance). If the Insured is insuring subsidiaries, affiliates or other parties, the Insurer expects that the Insured will have included them in its enquiries, and that the Insured will inform the Insurer if it has not done so. The reasonable search may be conducted by making enquiries or by any other means.
