Dear Mrs Murphy

Policy Number: BUK/53938

Thank you for choosing Insync Insurance Solutions Ltd to arrange your Professional Indemnity insurance. We have pleasure in enclosing the following documents for your reference and safekeeping:

- Insurance Schedule and Wording
- Risk Register
- Invoice

Please check that the policy documentation is correct and the cover meets with your requirements, paying particular attention to the Endorsements, Conditions and Warranties. Should you require any further amendments these may result in a change to the premium and/or the terms and conditions of the policy.

Contacting Us or Making a Claim

Should you wish to make any amendment to your policy or for more information on making a claim visit the Insync Client Hub at www.insyncinsurance.co.uk or call us on 033 0124 0730.

Please remember, it is your responsibility to provide complete and accurate information to insurers when you take out your insurance policy, throughout the life of your policy, and when you renew your insurance. Failure to disclose any information or change in circumstance to your insurers which could influence the cost or their decision to accept your insurance could invalidate your cover and mean that all or part of a claim may not be paid. Should you have any queries we would be delighted to discuss these with you.

Yours sincerely
