**MEDICAL PROFESSIONAL LIABILITY (MEDICAL MALPRACTICE)
& PUBLIC LIABILITY INSURANCE FOR INDIVIDUALS AND SMALL COMPANIES**

ENDORSEMENT LIST

Policy Number: 0025985

Policy Period: 10/04/2022 to 09/04/2023

Advanced Botulinum Toxin Endorsement

It is a **Condition Precedent** to **Your** right to be indemnified under this **Policy** that:

1. Botulinum Toxin is prescribed by a Prescriber to **You** for the administration of Botulinum Toxin to the Individual receiving treatment.
2. a satisfactory in person assessment of the Individual receiving treatment is carried out by **You** and the Prescriber prior to Botulinum Toxin being prescribed.
3. Botulinum Toxin will be prescribed in person by the Prescriber to the Individual receiving treatment (for the avoidance of doubt this does not include Skype/remote prescribing and/or repeat prescriptions);
- **You** must ensure that Patient Information Sheet/s specific to the administration and risks of Botulinum Toxin are provided to the patient and discussed with them, that a related consent form is signed and dated by **You** and **Your** patient, prior to any treatment taking place and an After Care Sheet is provided to the patient after treatment.
4. **You** keep a record of the **Prescriber's** name and contact details, registration licence number, and details of the **Prescriber's** professional medical indemnity insurance cover.
5. **You** use the disposable needle only once; any leftover product is also appropriately disposed of and **You** dispose of the needle in a sharps bin or equivalent puncture proof disposal container.
6. **You** use ampoules for single use only and do not store the ampoule once opened.
7. **You** use **Your** best endeavours to prevent the injection of air into a blood vessel which may cause an air embolism by removing air from the hypodermic syringe by pointing upward, tapping it, and expelling a small amount of liquid before any injection.

It is also a condition precedent to the right to be indemnified under this **Policy** that any products and medicines must –

- i. be licensed and registered for use in humans,
- ii. where applicable be CE marked and/or comply with the European Cosmetics Regulation 1223/2009, the General Product Safety Regulations 2005 and/or any amendments, re-enactments or replacements thereto, and
- iii. in respect of medicine only, be administered to a patient in accordance with the prescription of an appropriate practitioner (as defined in the Medicines Act 1968 and/or any amendments, re-enactments or replacements thereto..

Cover hereunder excludes any **Claim/s** arising from and/or relating to Botulinum Toxin:

- i. provided to individuals planning on becoming pregnant, or who are pregnant and/or breast feeding;

- ii. provided to individuals under the age of 18;

Cover hereunder also excludes any **Claim/s** arising from and/or relating to the on-selling or passing on of Botulinum Toxin to other practitioners.

Furthermore, cover hereunder also excludes the use of **Fraxin™**.

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

Advanced Dermal Filler Endorsement

It is a **Condition Precedent** to **Your** right to be indemnified under this **Policy** that:

1. **You** use Dermal Filler that carries a CE Mark;
2. **You** follow all instructions as issued by the manufacturer;
3. **You** ensure that Patient Information Sheet/s specific to the administration and risks of Dermal Filler are provided to the patient and discussed with them and that a related consent form is signed, dated by **You** and the Individual prior to any treatment taking place and an After Care Sheet is provided to the patient after treatment..
4. **You** keep a record of the treatment including the brand name of Dermal Filler, batch number, dosage, treatment site, follow up sessions, any adverse reactions, results and any other relevant information.
5. In the event of suspected tissue necrosis and/or vascular occlusion, treatment is not provided and/or immediately stopped and the individual is referred for urgent medical attention.
6. **You** use the disposable needle only once; any leftover product is also appropriately disposed of and **You** dispose of the needle in a sharps bin or equivalent puncture proof disposal container.
7. **You** use ampoules for single use only and do not store the ampoule once opened.
8. **You** use **Your** best endeavours to prevent the injection of air into a blood vessel which may cause an air embolism by removing air from the hypodermic syringe by pointing upward, tapping it, and expelling a small amount of liquid before an injection into the bloodstream.
9. **You** take photographs of the area to be treated both prior to- and after-treatment. These photographs must be retained by **You** for a minimum of 7 years.
10. **You** only use Teosyal Rednesity II filler for use in tear trough treatments.

It is also a condition precedent to the right to be indemnified under this **Policy** that any products and medicines must –

- be licensed and registered for use in humans,
- where applicable be CE marked and/or comply with the European Cosmetics Regulation 1223/2009, the General Product Safety Regulations 2005 and/or any amendments, re-enactments or replacements thereto, and
- in respect of medicine only, be administered to a patient in accordance with the prescription of an appropriate practitioner (as defined in the Medicines Act 1968 and/or any amendments, re-enactments or replacements thereto)

Cover hereunder excludes any **Claim/s** arising from and/or relating to Dermal Filler being provided to individuals:

- i. planning on/or becoming pregnant, are pregnant and/or breast feeding; and/or
- ii. under the age of 18

Cover hereunder also excludes any **Claims** arising from and/or relating to “Devil Lips/Octopus Lips” treatments.

Cover hereunder also excludes any **Claims** arising from and/or related to treatments using Radiesse.

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

Buttock and/or Hip Sculptra® Aesthetic Augmentation Endorsement

It is hereby noted and agreed that the **Excess** as stated in the **Schedule** is amended to include:

- £1,000 each and every **Claim** and each and every claimant including **Defence Costs and Expenses** is applicable but
- £2,500 each and every **Claim** and each and every claimant including **Defence Costs and Expenses** for advanced buttock and/or hip fillers.

Cover hereunder is extended to the provision of the injectable dermal filler Sculptra® Aesthetic into the buttock and/or hip area only.

It is a **Condition Precedent** to **Your** right to be indemnified under this **Policy** that:

1. **You** have been trained at The Cosmetic Training Academy and/or The Cosmetic Clinic run by Sonia Constantine.
2. **You** have formally qualified and been practicing in the provision of facial dermal fillers for a minimum of 1 year and remain **Claim** and/or incident free during that time.
3. Patient Information Sheet/s specific to the administration and risks of Sculptra® Aesthetic into the buttocks and/or hips are provided to the patient, a related consent form is signed and dated by **You** and **Your** patient prior to any treatment taking place and an After Care Sheet is provided to the patient after treatment.
4. **You** advise individuals who are considering this treatment to undertake a comprehensive health check and consultation with their doctor prior to embarking on this procedure.
5. **You** use the disposable needle only once; any leftover product is also appropriately disposed of and **You** dispose of the needle in a sharps bin or equivalent puncture proof disposal container.
6. **You** use vials/ampoules for single use only and do not store, clean and/or reuse the vial/ampoule once opened.
7. **You** use **Your** best endeavours to prevent the injection of Sculptra® Aesthetic and/or air into a blood vessel which may cause an air embolism by removing air from the hypodermic syringe by pointing upward, tapping it, and expelling a small amount of liquid before any injection.
8. **You** take photographs of the area to be treated both prior to- and after-treatment. These photographs must be retained by **You** for a minimum of 7 years.

It is also a condition precedent to the right to be indemnified under this **Policy** that any products and medicines must –

- i. be licensed and registered for use in humans,
- ii. where applicable be CE marked and/or comply with the European Cosmetics Regulation 1223/2009, the General Product Safety Regulations 2005 and/or any amendments, re-enactments or replacements thereto, and
- iii. in respect of medicine only, be administered to a patient in accordance with the prescription of an appropriate practitioner (as defined in the Medicines Act 1968 and/or any amendments, re-enactments or replacements thereto)

Cover hereunder excludes any **Claim/s** arising from and/or relating to any other buttock and/or hip augmentation/treatment, including but not limited to:

- i. the use of any other dermal filler, hydrogel, silicone and/or similar product/substance;
- ii. Liposuction;

- iii. Silicone implants;
- iv. Fat transfer (Brazilian Buttock lift).

Furthermore, cover hereunder excludes any **Claim/s** arising from and/or relating to Sculptra® Aesthetic:

- i. provided to individuals planning on becoming pregnant, or who are pregnant and/or breast feeding;
- ii. provided to individuals under the age of 18, or over the age of 60;
- iii. provided to individuals who have any of the following:
 - hypertrophic scarring
 - keloid formation
 - a known allergy to any ingredient of Sculptra® Aesthetic including but not limited to “poly-L-lactic acid” (PLLA), carboxymethylcellulose (USP) and/or non-pyrogenic mannitol (USP).

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

General Beauty Treatments Endorsement

Cover hereunder extends to the following General Beauty Treatments:

- i. aromatherapy;
- ii. body massage including Indian head, Swedish, hot stone and aromatherapy massage;
- iii. body wrapping;
- iv. cupping;
- v. electrical epilation and electrolysis;
- vi. electrical facial treatments including high frequency, galvanic, micro-current treatment, micro-dermabrasion, hydra-dermabrasion and vacuum suction;
- vii. eyelash and eyebrow tinting, shaping and perming;
- viii. facial massage and skincare;
- ix. facial peels with a glycolic acid level of less than 40%;
- x. false eyelash application;
- xi. Hopi-ear candles;
- xii. make-up and spray-on tan application;
- xiii. manicure and pedicure;
- xiv. nail extensions and treatments;
- xv. threading, waxing and sugaring.

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

Intramuscular/Intravenous (IM/IV) Vitamin Injections Endorsement

It is a **Condition Precedent** to **Your** right to be indemnified under this **Policy** that **You**:

- 1. use the disposable needle only once; any leftover product is also appropriately disposed of and **You** dispose of the needle in a sharps bin or equivalent puncture proof disposal container.

2. use ampoules for single use only and do not store the ampoule once opened.
3. use **Your** best endeavours to prevent the injection of air into a blood vessel which may cause an air embolism by removing air from the hypodermic syringe by pointing upward, tapping it, and expelling a small amount of liquid before an injection into the bloodstream.
4. **You** must ensure that Patient Information Sheet/s specific to the administration and risks of IV and/or IM Vitamin Injections are provided to the patient and discussed with them, that a related consent form is signed and dated by **You** and **Your** patient, prior to any treatment taking place and an After Care Sheet is provided to the patient after treatment.

It is also a condition precedent to the right to be indemnified under this **Policy** that any products and medicines must –

- i. be licensed and registered for use in humans,
- ii. where applicable be CE marked and/or comply with the European Cosmetics Regulation 1223/2009, the General Product Safety Regulations 2005 and/or any amendments, re-enactments or replacements thereto, and
- iii. in respect of medicine only, be administered to a patient in accordance with the prescription of an appropriate practitioner (as defined in the Medicines Act 1968 and/or any amendments, re-enactments or replacements thereto)

Cover hereunder excludes any **Claim**/s arising from and/or relating to IV vitamin injections unless the product has been prescribed by a registered prescriber.

Notwithstanding the above, cover hereunder extends to include Methylcobalamin without prescription.

Cover hereunder excludes any **Claim**/s arising from and/or relating to IV vitamin injections:

- i. provided to individuals planning on becoming pregnant, or who are pregnant and/or breast feeding;
- ii. provided to individuals with and/or who have the following:
 - Leber's disease;
 - An allergy to cyanocobalamin or cobalt;
 - A cold or allergy symptoms that affect your nose, such as sinus congestion or sneezing;
 - Kidney or liver disease;
 - Polycythemia;
 - Hypokalemia;
 - Iron or folic acid deficiency;
 - Any type of infection;
 - 6GDP deficiency.
 - Medication and/or treatment that affects your bone marrow;
 - have had an allergic reaction to hydroxocobalamin or any other medicines in the past;
 - have been told you have low levels of potassium; and/or
 - have an irregular or fast heartbeat.

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

Microdermabrasion Endorsement

Cover hereunder extends to the following General Beauty Treatments:

- i. aromatherapy;
- ii. body massage including Indian head, Swedish, hot stone and aromatherapy massage;
- iii. body wrapping;
- iv. cupping;
- v. electrical epilation and electrolysis;
- vi. electrical facial treatments including high frequency, galvanic, micro-current treatment, micro-dermabrasion, hydra-dermabrasion and vacuum suction;
- vii. eyelash and eyebrow tinting, shaping and perming;
- viii. facial massage and skincare;
- ix. facial peels with a glycolic acid level of less than 40%;
- x. false eyelash application;
- xi. Hopi-ear candles;
- xii. make-up and spray-on tan application;
- xiii. manicure and pedicure;
- xiv. nail extensions and treatments;
- xv. threading, waxing and sugaring.

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

Platelet Rich Plasma (PRP) Endorsement

It is a **Condition Precedent** to **Your** right to be indemnified under this **Policy** that **You**:

1. must have obtained a qualification in phlebotomy to undertake any type of PRP treatment.
2. must ensure that Patient Information Sheet/s specific to the administration and risks of PRP treatments are provided to the patient and discussed with them, that a related consent form is signed and dated by **You** and **Your** patient, prior to any treatment taking place and an After Care Sheet must be provided to the patient after treatment.
3. use the disposable needle only once; any leftover product, including plasma bio-filler gel and/or blood, is also appropriately disposed of and **You** dispose of the needle in a sharps bin or equivalent puncture proof disposal container. Sterilising kits are opened onsite for each individual patient and PRP centrifuge machine is cleaned after each treatment.
4. use **Your** best endeavours to prevent the injection of air into a blood vessel which may cause an air embolism by removing air from the hypodermic syringe by pointing upward, tapping it, and expelling a small amount of liquid before an injection into the bloodstream.

It is also a condition precedent to the right to be indemnified under this **Policy** that any products and medicines must –

- be licensed and registered for use in humans,
- where applicable be CE marked and/or comply with the European Cosmetics Regulation 1223/2009, the General Product Safety Regulations 2005 and/or any amendments, re-enactments or replacements thereto, and

- in respect of medicine only, be administered to a patient in accordance with the prescription of an appropriate practitioner (as defined in the Medicines Act 1968 and/or any amendments, re-enactments or replacements thereto)

5.

Cover hereunder extends to include The O Shot and The P Shot.

Cover hereunder excludes any **Claim**/s arising from and/or relating to PRP treatment:

- i. carried out for medical purposes;
- ii. provided to individuals planning on becoming pregnant, or who are pregnant and/or breast feeding;
- iii. provided to individuals under the age of 18;
- iv. provided to individuals with and/or who have the following:
 - Critical thrombocytopenia (low platelet count)
 - Hypofibrinogenaemia
 - Hemodynamic instability (collapse)
 - Sepsis (infection)
 - Acute and chronic infections
 - Chronic liver disease
 - Anti-coagulation therapy (warfarin, dabigatran, heparin).
 - Auto-immune disease;
 - Hepatitis B and/or C;
 - HIV;
 - taking anti-coagulation medication; and/or
 - any history of keloid scarring

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

Skin Booster Endorsement

It is a **Condition Precedent** to **Your** right to be indemnified under this **Policy** that **You**:

1. follow all instructions as issued by the manufacturer;
2. ensure that Patient Information Sheet/s specific to the administration and risks are provided to the patient and discussed with them, that a related consent form is signed and dated by **You** and the Individual prior to any treatment taking place and an After Care Sheet has been provided to the patient after treatment.
3. keep a record of the treatment including batch number, dosage, treatment site(s), follow up sessions, any adverse reactions, results and any other relevant information.
4. do not provide treatment and/or treatment is immediately stopped in the event of suspected tissue necrosis and/or vascular occlusion. **You** must ensure the individual is referred for urgent medical attention.
5. administer this treatment by injection only.
6. use the disposable needle only once, any leftover product is also appropriately disposed of and **You** dispose of the needle in a sharps bin or equivalent puncture proof disposal container.
7. use ampoules for single use only and do not store the ampoule once opened.

8. use **Your** best endeavours to prevent the injection of air into a blood vessel which may cause an air embolism by removing air from the hypodermic syringe by pointing upward, tapping it, and expelling a small amount of liquid before an injection into the bloodstream.
9. take photographs of the area to be treated both prior to- and after-treatment. These photographs must be retained by **You** for a minimum of 7 years.

It is also a condition precedent to the right to be indemnified under this **Policy** that any products and medicines must –

- i. be licensed and registered for use in humans,
- ii. where applicable be CE marked and/or comply with the European Cosmetics Regulation 1223/2009, the General Product Safety Regulations 2005 and/or any amendments, re-enactments or replacements thereto, and
- iii. in respect of medicine only, be administered to a patient in accordance with the prescription of an appropriate practitioner (as defined in the Medicines Act 1968 and/or any amendments, re-enactments or replacements thereto).

Cover hereunder excludes any **Claim/s** arising from and/or relating to treatment:

- i. provided to individuals planning on becoming pregnant, or who are pregnant and/or breast feeding;
- ii. provided to individuals under the age of 18

All other terms, conditions and limitations contained in **Your Policy** remain unaltered.

Skin Booster Endorsement

It is a **Condition Precedent** to **Your** right to be indemnified under this **Policy** that **You**:

1. follow all instructions as issued by the manufacturer;
2. ensure that Patient Information Sheet/s specific to the administration and risks are provided to the patient and discussed with them, that a related consent form is signed and dated by **You** and the Individual prior to any treatment taking place and an After Care Sheet has been provided to the patient after treatment.
