IAR Script

Introducer Appointed Representative Script

When asked about finance for any service you provide you must be very careful to not give any advice about credit, the cost of credit or whether the customer should take credit. If you say anything other than the script then you risk breaching FCA regulations.

The red is mandatory;

We are a representative of Cosmetic Finance Group Limited who is a credit broker and authorised and regulated by the Financial Conduct Authority. Please scan the QR code on our poster and follow the instructions. Alternatively, you can go to www.cosmeticfinancegroup.co.uk and read all about their offers. You can shop around to find finance you do not have to use our credit broker.

Please ensure that all of your staff know what to say and not deviate from it as it forms part of your contract with Cosmetic Finance Group Limited.
