

Accredited Courses

Welcome Pack

Welcome to ABT

Thank you for submitting your courses and training school information to us here at ABT.

I am pleased to inform you that our accreditation team have been through all the information you kindly sent to us and we are now able to validate your courses for insurance purposes.

In addition, your students can gain 10% off our insurance packages by quoting code ARCHITECTS99 when they join online.

Please remember we can only accredit the courses that have been submitted for accreditation and that accreditation does not include insurance.

Thank you once again for choosing ABT and if we can be of any further assistance you can contact me via email.

Kind Regards,

Tamzin Horton

Accreditation Manager
