

Beazley Medical Malpractice Insurance

Renewal Accept Schedule

This Insurance contains some particularly important conditions which the Insured must satisfy or the Insured could lose some or all of the cover provided. Because these are particularly important, the Underwriters want to draw the Insured's attention to them and they will highlight them in bold and capital letters within the Policy.

Separately, there is also a warranty that the Insured must pay the premium when it is due, including when any instalment is due. If the Insured fails to do so, then the Insured's cover will be suspended.

NOTICE: This Policy provides coverage on a Claims Made and Reported Basis. Except to such extent as may otherwise be provided herein, this insurance applies only to those **Claims** which are first made against the **Insured** and reported in writing to the underwriters during the **Policy Period** or **Extended Reporting Period** (if applicable). **Damages** and **Claims Expenses** shall be applied against the deductible. **Claims Expenses** under this Policy shall reduce and may exhaust the Limits of Liability. Please review the coverage afforded under this Insurance Policy carefully and discuss the coverage hereunder with your insurance agent or broker.

This schedule along with the completed and signed **Proposal** and the Policy with endorsements shall constitute the contract between the **Insureds** and underwriters.
